Content ideas: The idea is to bring the corporates' entire financial world under one. Over the years, we have simplified and digitized processes, thus reducing.

Marketing Strategies :The Bank's strategy is to cover a larger geographical spread, to provide differentiated wealth management solutions using digital tools. The Bank is creating new product offerings and improving its existing solutions to reach out to this population using technology.

challenges : HDFC Bank, the biggest challenges include new payment banks - such as Paytm, Reliance Industries, Tech Mahindra, NSDL and India Post - that are ready to launch operations. In the UK, the online-only Atom Bank is set to challenge brick-and-mortar banks.

lessons : Mahatma Gandhi **lessons** are immortal in the pages of history. Here are 5 financial **lessons** what we can learn from his life & plan our financial life ...

Part 4: Content Creation and Curation (Post creations, Designs/Video Editing, Ad Campaigns over Social Media and Email Ideation and Creation)

Post Creation:

- **Select Content Categories:** Identify three different content formats relevant to the chosen topic or industry. Research and Brainstorm: Research trending topics, industry news, or audience interests within each category. Brainstorm ideas for social media posts that align with each category. Do note that 1 content format has to be video and additionally 3 stories/status are to be created.

Format 1 : Blog article

Format 2 : video

Format 3: creative

Format 3 : creative

Aim : brand awareness & reach

Date : 06 -04- 2022

Idea : to cover a larger geographical spread, to provide differentiated wealth management solutions using digital tools.

Topic : The Bank is encouraging citizens to take a pledge to adopt safe banking habits while transacting digitally and avoid sharing their confidential banking information (like password, PIN, OTP, etc.) with anyone.

Part 4: Content Creation and Curation (Post creations, Designs/Video Editing, Ad Campaigns over Social Media and Email Ideation and Creation)

Instagram Story

Part 4: Content Creation and Curation (Post creations, Designs/Video Editing, Ad Campaigns over Social Media and Email Ideation and Creation)

Social Media Ad Campaigns

Ad Campaigns over Social Media:

INSTAGRAM AD CAMPAIGN :Instagram ads are posts that promote a business's products or services. The posts can appear in multiple ways, such as an Instagram feed, stories, or both. They can include images or video along with copy and a link to the web page of the company's choice.

Instagram Social Media Campaign

BRAND AWARENESS : Post content that is consistent with your brand personality. The key to increasing your brand awareness via Instagram is consistency. The content you post must be consistent with your overall brand personality. Post images and videos that are in line with the goals of your brand

Goal

To drive awareness of the extension of the brand. The goal of their Instagram campaign was based on boosting awareness and sales of their tropical flavored 'Summer Edition' energy drink for the Australian market.

Key Takeaway

There's a big market for campaigns launched on social media, and the power Instagram has in driving engaged users is significant. In order to leverage Instagram to grow your customer base, you need to understand customer journeys within and across social networks so you can use them too.

- **CONTENT CREATION AND CURATION** : Shared content can be categorized into two main categories;

Curated, which is content gathered from trusted sources relevant to your industry and created, which is content product within your organization.

Challenges and lessons learned : first of all, I Would like to thank smart bridge for giving me the first project. I played a vital role in marking this project. Also learned every aspect of digital marketing in 3 months internship. During this project, I faced many challenges. At first I did not understand what to do on that topic . Then our mentor give us a suggestion. Through this project the aspects of day to operation of a company were learned. In the end , our entire team learned lesson and successfully completed our project.
